## Your cover explained

### ✓ Covered

We will pay benefits towards your hospital treatment. This may include hospital accommodation, theatre fees, medical devices and human tissue products, pharmaceuticals and any medical fees related to your admission.

### ✓<sup>R</sup> Restricted Services

We pay to a certain limit towards your hospital treatment. We will not fully cover the cost of a private room in a public hospital or any room in a private hospital. If you are admitted to a private hospital for restricted services, you will need to pay out-of-pocket costs.

### ✗ Excluded

We don't cover any benefits towards your hospital treatment. If you choose to proceed as a private patient, you will have large out-of-pocket costs.

### Hospital Cover

We have contracts with private hospitals throughout Australia to cover theatre fees and hospital accommodation costs for most procedures. When there is no contract, we pay up to a default benefit (set by the Government) and you may have large out-of-pocket costs. You can view our contracted private hospitals at [www.westfund.com.au/find-a-provider/](http://www.westfund.com.au/find-a-provider/) or give us a call on 1300 937 838 for more information.

As a **private patient in a public hospital**, you will be covered for hospital accommodation and your choice of doctor, from doctors with a right to practice at that hospital.

Where a treatment is covered or restricted on your policy, benefits are also payable for;

- Medical Devices and Human Tissue Products: up to the approved benefits outlined in the prescribed list of Medical Devices and Human Tissue Products.

- Pharmaceuticals: for all Pharmaceutical Benefits Scheme (PBS) listed drugs that are administered according to the PBS approved indications.

- Medical fees charged by your doctor while you are in hospital, as well as common and support services such as anaesthetic, pathology and radiology related to your admission. As long as a Medicare Benefits Schedule (MBS) item number applies to those services and a Medicare benefit is payable.

Our **Access Gap Cover Scheme** helps members with hospital cover to eliminate or reduce out-of-pocket expenses for medical gap payments. Your doctors can choose on a case-by-case basis whether to participate in the Access Gap Cover Scheme so it's important to ask your doctor before beginning treatment. Visit [www.westfund.com.au/find-a-provider/](http://www.westfund.com.au/find-a-provider/) or give us a call on 1300 937 838 for more information.

^ Limited benefits apply for podiatric surgery provided by a registered podiatric surgeon. Westfund will pay a benefit towards your hospital accommodation and up to the approved benefits outlined in the prescribed list of medical devices and human tissue products. No benefit is payable towards theatre fees, pharmaceuticals or medical fees related to your admission.

## Excess options:

- ✓ Excess options (per member per calendar year)
  - Nil\* or \$500\* excess

- ✓ No excess for accidents when admitted to a private hospital

Your excess explained: Your chosen excess is an amount payable per member per calendar year for admissions into hospital. The excess is paid before a Westfund benefit is payable for hospital treatment.

\*All excess levels are closed to new members
